Time of Survival & Player Type

In addition,

To encourage players explore more and play longer,
Two options could be given to get the customs pass/level/关卡.
Survival Time OR Gold, from easy to difficult(can be based on the statistic).

For example,

16s / 200G to open 'Laser' from Original

31s / 399G to open the 'Ocean' from Original

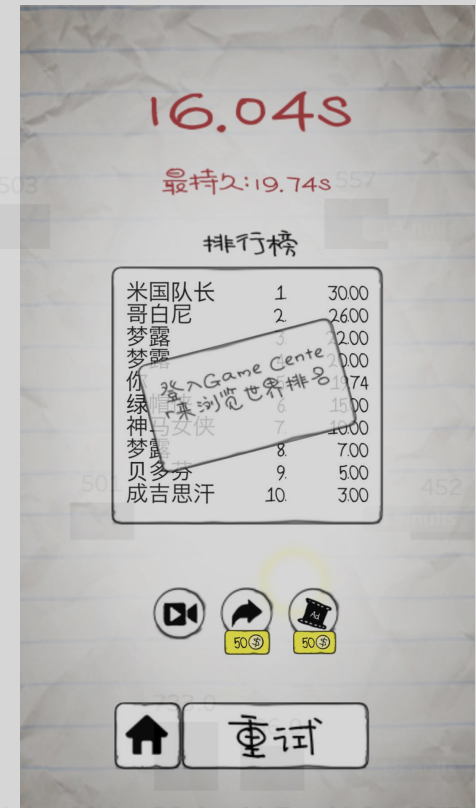

41s/ 599G to open the 'Chinese' from Original

61s/1000G to open the 'Big Bang' from Original

...

And Special for Gold only.

The default first player is 30s,
Make it higher & realistic.
